Vandenberg Will Run If Nominated: Sigler

GOP Hopefuls Eye 73-Vote Pennsylvania

Philadelphia, June 19—(AP)—Gov. Kim Sigler of Michigan skinned Sen. Arthur H. Vandenberg's hat into the ring of Republican presidential candidates tonight—put held onto it with a string.

As chairman of the Michigan delegation to the GOP convention, Sigler said he knows Vandenberg is "available as a candidate" if the people demand it. And he said he expects this convention to "demonstrate that demand."

"Does that mean," a reporter asked, "that you are putting the senator's hat into the ring?"

Sigler thought a minute and replied carefully:

"To the extent that there is a demand for his nomination, I'd say yes."

Sigler wouldn't say whether his statement to a news conference on Vandenberg's availability followed a consultation of any kind with the Michigan senator. But he repeated over and over:

"I know what I'm talking about."

And his words were expected to be all that Vandenberg's backers need to start beating the drums for the senator. They underscored, too, the significance of a convention—evangelical of Pennsylvania's 73-vote delegation tomorrow night.

The chairman of the Keystone state delegates is Gov. James H. Duff. And close friends say Duff has been hoping for just such a statement as Sigler's because he wants the convention to draft Vandenberg.

Duff told a reporter:

"That removes the last doubt whether or not Vandenberg is available. That should settle that."

Pennsylvania is pledged to cast its first vote for its favorite son, Senator Edward Martin. What it does after that can be a major factor, and may be the deciding factor, in determining how long the convention lasts and the man it picks to run for the White House.

Vandenberg himself originally had been expected here tomorrow. But Sigler said he now may not arrive until Monday because of the legislative jam in congress.

But three other presidential hopefuls are due in town tomorrow to get into the maneuvering for backing and ballots.

Governor Thomas E. Dewey of New York is driving down. Gov. Earl Warren of California is coming in by special train from the coast. Senator Robert A. Taft of Ohio is invading from Washington. Unless he, too, is tied up with last-minute congressional issues.

And they, too, will be eyeing the Pennsylvania caucus.

Illinois Postal Employees End 29th Convention

Aurora, Ill., June 19—(AP)—The Illinois federation of post-office clerks ended their 29th annual convention today with resolutions for wage boosts, shorter hours and longer vacations.

Some of the resolutions adopted called for:

Time and one-half pay for all work on Saturdays, Sundays and holidays;

A 30-hour week of five six-hour days;

A 26-day annual vacation, plus 15 days of sick leave;

Abolition of the first four salary classifications, in effect hiking the salary of beginners from \$2,100 to \$2,500;

Time and one-half pay for substitute employees for all work in excess of eight hours in a single day or 40 hours in a single week;

Amendment of the retirement law to allow retirement after 25 years service, regardless of age.

The resolutions will be offered to the national convention postal clerks when it convenes at Miami, Fla., in August.

How They Voted

Washington, June 19—(AP)—Following is the way these midwestern representatives voted when the House today passed the compromise draft bill:

Illinois: Democrats for—Gordon, Gorski, O'Brien.

Republicans against—Sabath, Republicans against—Allen, Bishop, Busby, Chipberger, Clippinger, Church, Jensen, Johnson, Mason, Reed, Simpson, Twyman, Vail, Vannell.

President Truman Promises Real Threat To GOP Claim

Washington, June 19—(AP)—President Truman's western stumping tour has raised question marks over Republican claims that 1948 is "their year."

Mr. Truman is taking it for granted that the Democratic nomination is his.

And once he gets it, the Republicans can be sure they are going to have a real fight for the presidency.

The President let the people know on his 18-state trip that he is thoroughly steamed up about some of the things there are said about him and about the way Congress has treated his program.

So he has promised to put both himself and the record of Congress on display "from one end of the country to the other."

He made a start on the trek that began here June 3 and brought him back yesterday, 8,500 miles and something like 70 speeches later.

Right from the start, the chief executive began a process of what he called "pouring it on" Congress about issue after issue. But mostly about high prices and housing.

While Republican leaders were snapping back at him from the halls of Congress, there was nothing to indicate that the people to whom the President spoke were greatly offended by his cracks at the law-makers.

Farm Legislation Tied Up By Senate, House Deadlock

Washington, June 19—(AP)—Senate-House conference broke up in complete disagreement today and Senator Aiken (R-Vt.) said "this means the end of a farm program."

Aiken said the failure of Senate and House of Representatives to come to any agreement will mean that on Jan. 1, 1949, the price support levels will revert to 1938 figures.

The 1938 figures provide props only for six basic commodities at from 52 to 75 percent of parity, as compared with the present level of 90 percent of parity for most important crops.

Parity is a formula for prices designed to give farmers purchasing power equal to that they enjoyed in a previous favorable period. Parity usually is figured on a 1909-1914 average.

The House had voted an 18-month stopgap extension of the present parity program, with a few revisions.

The Senate, on the other hand, had voted a permanent new program calling for varying price supports at slightly lower levels than those now in effect.

Aiken said he holds no hope of another meeting of conferees will be set. He told reporters after a two-hour closed-door conference:

"We are in total disagreement. The Senate has considered the House bill. The House conferees have refused to permit the House to consider the Senate bill. This means the end of a farm program."

Aiken said the House conferees, headed by Rep. Hope (R-Kan.), refused even to sign a statement saying the two groups are in disagreement.

Navy Club Opens Reunion June 23

Rockford, Ill., June 19—(AP)—The National reunion of the navy club of the U.S.A. will open June 23 in Fort Wayne, Ind., the club's headquarters here announced today.

The four-day meeting will be attended by representatives of 178 navy clubs throughout the nation, national commandant, Thomas A. Keegan, Rockford, said.

The club is comprised of navy, marine and coast guard veterans, both male and female, and of members of the reserves of those service branches. It was chartered in 1940.

MANSLAUGHTER CHARGE

Peoria, Ill., June 19—(AP)—Harry W. Finnegan, owner of a cab company, was charged by police with manslaughter in connection with the fatal shooting today of George Donaldson, 52, a commercial fisherman. Finnegan was released on \$5,000 bond.

Police said they were told the shooting climaxed a three-man argument involving Donaldson, Finnegan and Floyd E. Cain, 31, of Peoria, in the cab company office.

CRUISER BURNS

Guntersville, Ala., June 19—(AP)—The Belle of Memphis, a 40-foot cruiser owned by W. M. Bell of Memphis, caught fire and burned to the waterline near the Guntersville dam today.

Tanks, Trenches Guard New Money Border In Germany

Berlin, June 19—(AP)—Tanks, armored cars and trenches tonight guarded the "new money" borders between Soviet and western Germany and the road to Berlin.

The Soviet military vehicles appeared after the Russians had stopped travel and sharply restricted freight transport into their zone and Berlin with new controls imposed suddenly last midnight.

The Russians said they were protecting their zone against a flood of German reichsmarks which soon will be worthless in the western zones when the new deutsche mark becomes fully effective.

To ward off alleged "money smugglers" from the west, the Russians placed a total stoppage on allied and German land travel into Berlin, and rigid inspection on all incoming freight and freight train personnel.

They concentrated some tanks and armored cars at the Soviet-American zone border control point near Eisenach, apparently to discourage would-be travelers. German travelers said Russian soldiers and German police took positions in trenches along the demarcation line.

Then the British moved up 10 armored cars to Helmsdorf, the control point on the British-Soviet zone border. There they parked on the autobahn, their guns pointed east but out of sight of Russian border troops a mile down the Berlin road.

Tonight, however, the British cars from an armored division withdrew to their stations.

West-bound travel from Berlin and the Soviet zone was generally permitted by the Russians, but persons who left Berlin and eastern Germany faced uncertainty as to when they would be allowed to return.

Chicagoan Seized At Pontiac, Held For Robbery

Pontiac, Ill., June 19—(AP)—State police today seized Homer Fisher, 21, of Chicago for questioning in a Chicago currency exchange robbery which netted a six-man gang \$17,563 yesterday.

Fisher was seized after state police at Joliet received a phone call from a man who identified himself as M. C. Soper and who said he was being forced at gun point to drive Fisher to St. Louis.

Lt. Harold Fewell traced the call to a gasoline station in Troy, eight miles west of Joliet. He then asked state police at Pontiac to set up a road block here.

Lt. Edward Belmonte of the state police at Pontiac said when they removed Fisher from the car they found a satchel containing a large sum of money. The amount was not disclosed. Police held Fisher in the Livingston county jail here.

Meanwhile, in Chicago, Sgt. Thomas Owen of the Racine avenue police said five of the six robbers had been identified. Owen said John Mellon, 21, who was seized after the robbery, named four others as participating with him. Fisher was among those named.

The robbery occurred in the city savings and loan association at 1656 West Chicago avenue. The men fled in a green sedan which they abandoned after a running gun battle with police.

80th Congress Set To Adjourn Until Chiefs' Recall

Washington, June 19—(AP)—Congressional leaders agreed tonight to adjourn Congress, subject to recall by its GOP chiefs.

Senator Taft of Ohio, chairman of the Senate GOP steering committee, told newsmen the Senate and House will adjourn at the end of tonight's session under a resolution setting adjournment for December 31 as a date for the next session unless a special one is held.

Taft indicated that a special session may be called by the GOP leaders before December 31. President Truman also has the power to call Congress into special session.

Housing bills such as the separate measures passed by the Senate and the House, Taft said, are "out" for this session. But there is a possibility, Taft said, that a farm bill may be worked out before tonight's adjournment.

Asked when the leaders may recall Congress, Taft said:

"We might recall Congress between the conventions, after the conventions, or after the elections. The meeting at which the decision to adjourn tonight was made was attended by Taft, Speaker Martin of Massachusetts, House Republican leader Halleck of Indiana, House Republican whip Arens of Illinois, and acting Senate majority leader Wherry of Nebraska."

The adjournment resolution would permit Martin, Halleck, Wherry and Senator Vandenberg, President pro tempore of the Senate, to call Congress back into session whenever they believe it is necessary.

However, President Truman could recall them at any time, regardless of what the GOP leaders decide, and many Democrats predicted the President would reconvene Congress after the conventions to enact housing and long-range farm legislation.

Washington, June 19—(AP)—The House adjourned tonight and sent to the Senate the compromise \$6,030,710,228 foreign aid appropriation bill.

Draft Sent To White House After All-Night Filibuster

President Acts To Avert Coal Strike

Washington, June 19—(AP)—President Truman set up a Taft-Hartley board of inquiry today in an effort to wipe out the threat of another nationwide soft coal strike next month.

Impressed with the need for swift action, the president asked the three-man board to report by Wednesday. The coal contract expires June 30. The miners begin a 10-day vacation June 26.

Appointed to the board were David E. Cole, Paterson, N.J., lawyer and labor arbitrator, chairman; E. Wight Bakke, professor of economics at Yale University; and Waldo A. Fisher, professor of industrial relations at the University of Pennsylvania.

The President must have a report from the board before instructing Attorney General Clark to ask for another court injunction to halt a strike. The type of injunction called for in the Taft-Hartley act would delay a walkout for 60 days—if the court finds that it is a new dispute.

The miners already are under injunction not to resume their pension strike, which shut down the mines for four to six weeks in March and April. The court would have to rule that the contract dispute was an entirely new fight—otherwise the miners could not be restrained after the current injunction runs out in early July.

The pension and welfare controversy is far from settled, even though the miners are dishing coal.

Justice T. Allan Goldsborough heard arguments today on a petition of operator Ezra Van Horn for an injunction to block payment of pensions under the strike-stalling compromise of John L. Lewis, the United Mine Workers' chief, and Senator Bridges (R-N.H.).

Detroit Couple Held For Leading Charity Racket

Detroit, June 19—(AP)—A grand jury today accused a Detroit couple of being leaders of a charity racket which it said netted its operators \$750,000.

An indictment charging conspiracy to cheat and defraud over a period of about five and a half years was returned against Morrison T. Wade, 42, and his wife, Bessie Lou.

The defendant couple, officers of the Society of Good Neighbors, were arraigned immediately. Pleas of innocent were entered for them when they stood mute. Their examination was set for June 29.

Wade, after his brief court appearance, told newspapermen:

"I don't know why my wife has to be roped in on a thing like this, politics in Detroit has sunk to a new low."

His wife added, "I have never been so humiliated in my life."

Both denied any wrongdoing and expressed belief court action on the indictments would result in their vindication.

Twenty-eight persons, associates of the Wades, were named co-defendants but not defendants in the indictment. Judge Gerald W. Groat, sitting as a one-man grand jury, indicted the Wades, accusing them of soliciting extensive contributions of property from the public under false pretenses. The alleged fraud was dated from July 1, 1942, to Dec. 1, 1947.

A great part of the contributions, constantly meant for poor or handicapped persons, was sold and the profits retained, Judge Groat charged.

ATTACKED BY RUSSIANS

Berlin, June 19—(AP)—A German messenger for the Associated Press said two Russian soldiers attacked him early today, calling him a spy, in Berlin's Soviet sector.

'Duckpin' Is Eisenhower In Wartime Navy Code

Washington, June 19—(AP)—Duckpin explained gyp's viewpoint to kiting and kneepiece—to the bafflement of anyone not able to translate the navy name code.

War leaders and important figures got a strange collection of names assigned them during World War II, and the navy made public a partial list of them today.

Duckpin was the unflattering name for General Dwight D. Eisenhower; gyp (the engraving of gem-hard stones) was Premier Joseph Stalin; kiting, President Harry S. Truman; and kneepiece, Harry Hopkins.

A careful search of the some 3,000 code names and places failed to reveal the navy designation for President Roosevelt or Winston Churchill.

A navy official was unable to explain the omissions, but surmised they were still "classified secret."

Secret war names of some other high personages follow:

Coffetree—Admiral William D. Leahy;

Fourfold—General George C. Marshall;

Brothers Held For Questioning In Fatal Beating

Bloomington, Ill., June 19—(AP)—Two brothers were held in the McLean county jail tonight for questioning in connection with the fatal bludgeoning of Bruce A. Hudgens, 26.

Hudgens' body was found early today lying near the receiving vault in the Bloomington cemetery.

The body was clothed only in a pair of shorts and blue denim work trousers. The young man, a Bloomington resident, had been working on a road gang west of Carlock.

Dr. B. Markovitz, coroner's pathologist, said Hudgens, a former army recruit, had suffered a basal skull fracture which caused his death, and that other marks on his body indicated he had been subjected to physical violence before he died.

Bloomington Chief of Police Clyde Hibbens said his men had learned Hudgens had \$75 in his possession.

The body was clothed only in a pair of shorts and blue denim work trousers. The young man, a Bloomington resident, had been working on a road gang west of Carlock.

Mears and his brother, Lloyd, 22, were held for questioning. Police said Robert Mears had volunteered to take a lie detector test tomorrow.

Chief Hibbens and Sheriff Curtis Gilbert of McLean county quoted Swearingen and Long as saying they were on their way to work today when Robert Mears hailed them and asked them to drive through the cemetery. The officials said the two young men said Mears told them he wanted to look at the grave of a cousin.

Hibbens said Swearingen and Long stated that while driving through Mears pointed to the body, saying "look at the bum lying there," and that he later suggested they return for a closer look. Long said he did not get out of the car, but that Mears felt the man's wrist and said: "He's dead; let's get out of here."

Board Appointed To Assist Hoffman

Washington, June 19—(AP)—President Truman today nominated a 12-member public advisory board to help economic cooperation administrator Paul G. Hoffman in managing the European recovery program.

The nominations, subject to approval by the Senate, include: Arlon Everett Lyon, Illinois, secretary of the Railway Labor Executive Association.

It overrode his veto of bills (1) shifting the United States Employment Service from the labor department to the federal security agency; (2) exempting news vendors from social security taxes; (3) permitting railroads to make rate agreements without fear of prosecution under the anti-trust laws, if the Interstate Commerce Commission approves; and (4) increasing social security benefits for restricted groups while excluding an estimated 750,000 others from coverage.

It granted the president's request for a program of economic recovery help for European and Asiatic nations. It went along with him on military aid for Greece and Turkey.

And it saw eye-to-eye with the president on American participation in the international refugee organization.

Foreign Aid Program Still Unsettled

Washington, June 19—(AP)—House passage sent a peace-time draft bill to the White House tonight, clearing up one of the two big threats to Congress' adjournment plans. A fight over foreign aid money remained to be settled.

Conference committees from the two houses agreed on \$6,030,710,228 for a 15-months program of relief and rehabilitation abroad, but stuck in a proviso that if the president thinks it necessary all the money can be spent in a year.

That is the Senate's plan and the administration's plan, except for the device of calling it a 15-months project. Senate acceptance was taken for granted, but whether the House would go along was another question. That branch had provided a little less money and made the period definitely 15 months.

Two Year Service

The draft measure got to the House after the Senate had broken a night-long filibuster by Senators Taylor (D-Iowa) and Langer (R-ND) and passed it by a voice vote. It was hard fought again in the House, but got through on a 259 to 136 roll call vote.

It brings back conscription for two years, with men aged 19 through 25 to be called into service for 21 months but with nobody to be inducted until 90 days after passage. The house originally had voted for one year's service and the Senate for two.

Another delay-threatening controversy was sidestepped when Senate Republican leaders practically abandoned efforts to get action on housing legislation.

That measure came up for an hours debate, but the Senate turned to other business after Senator Ellender (D-La.) blocked a proposal to send differing House and Senate versions to conference. Under the parliamentary situation it would have taken unanimous consent to act.

Evade All Issue

Just before the jam began to ease up the Senate ducked the threat of a new filibuster over also taxes. That was done by applying a drastic and seldom-used procedure which cut off debate, something that generally goes against the Senate grain.

However, another contest was dragged to the fore again, after once being apparently disposed of by acknowledgement that the two houses are so far apart nothing can be done about a farm program now.

Senator Aiken (R-Vt.), chief Senate conferee on that quarrel, said the House and Senate representatives were so far apart there just wouldn't be any farm program late in the day, however. Republican leaders came out of a session-end strategy conference saying Congress just couldn't go home without action on that question and on housing, another matter in tight disagreement.

May Not Adjourn

The situation was so tight the Republican leadership at that time was widely split in its ideas on whether adjournment could be reached tonight.

While waiting for their leaders to make up their minds about adjournment, the Senate and the House rammed a big batch of bills through.

Both branches hurriedly passed and sent to the president a \$6,787,668,163 army appropriation bill for the next fiscal year, more than \$500,000,000 less than Mr. Truman asked.

The House passed after a brief but sharp fight a bill to make about 80 technical changes in the revenue laws. It was estimated by Chairman Knutson (R-Minn.) of the House ways and means committee to reduce revenues by \$400,000,000 a year.

For a time today the House was clicking off minor bills at a rate of better than one a minute.

DeKalb Students To Visit U.N.

DeKalb, Ill., June 19—(AP)—A party of 13 high school students and seven teachers left today for a 10-day bus trip which will take them to United Nations headquarters in New York and other points of interest in the east.

The group included teachers and students from high schools at Rolo, Hinkley, Shabbona, Waterman, Malta and DeKalb.

At the wheel of the bus and chief of the party was J. D. Pilon of the DeKalb county high school.

Congress Lauds Senator Hatch

Washington, June 19—(AP)—Senators Lucas (D-Ill.) and McFarland (D-Ariz.) tonight paid tribute to Senator Hatch (D-N.M.) who is retiring from the Senate.

Both spoke on the Senate floor in praise of Hatch's record in Congress and expressed regret that he is leaving.

Hatch is expected to be appointed to a federal judgeship in New Mexico.

PRIDE IN CENTRAL PARK

As Jacksonville townspeople we have good cause to be proud of the improvement seen in the Central Park Square during the past year. It is a real pleasure to note that cool green grass growing over the hard and dusty paths that somehow turned into mires after each rain, and that flowers are blooming around the monument. The whirling, grass sprinklers add to the general atmosphere of attractiveness.

Much credit goes to the Jacksonville Lions club for its efforts in laying the sidewalk around the parking meters and importing the soil for leveling the grounds. It seems unfortunate that interest in the park was not taken sooner, for it is evident that we have been missing a great deal of satisfaction. To hear strangers in town remark, "Nice square, here," cannot help but awaken a spark of pride.

Yes, we do want a park worthy of admiration. Let's make a real effort to break the habit of walking across the grass, and take it upon our shoulders to continue the improvements being made.

"BE ALIVE ON THE FIFTH"

Loss of sight, amputation of an arm or a leg, even death, will mar the lives of numerous persons on the three-day holiday ending the Fourth of July—all because safety precautions are forgotten in the haste and carelessness usually associated with Independence Day fun, the Educational Committee of the Illinois State Medical Society has pointed out.

Fireworks, traffic accidents, drownings, excessive exercise, over-eating, too much and too rapid exposure to the sun will bring tragedy instead of happiness, unless common sense prevails during the holiday. Fireworks, for example, should be avoided, except at public displays where every precaution is taken to safeguard spectators. The law forbidding the sale of fireworks was not enacted to create a hardship, but as a protective measure. Explosives are dangerous and should be handled carefully, no matter how attractively packaged, whether they be rockets, firecrackers or sparklers.

Many injuries to the eyes have occurred from the use of fireworks, resulting, frequently, in the loss of vision to one or both eyes. A child's life may be impaired permanently for a few minutes of play.

Traffic accidents will take a heavy toll during the three-day holiday, unless safety measures are followed by everyone. The National Safety Council is constantly waging a campaign to keep before the public the "do's and don'ts" of traffic safety. A recent slogan, "Watch Out for Kids," urged the drivers of motor vehicles to be cautious on the streets. While safety habits are daily being taught to children, adults must remember that the young mind is impulsive. Children, in the rush of play and enthusiasm, will take chances on their bicycles or in play in the street that may endanger their lives. Adults must assume the responsibility of assisting children to protect themselves.

"Be Alive on the Fifth" is a new slogan issued by the National Safety Council. Heeding the warning, drivers of motor vehicles and pedestrians alike should accept individual responsibility. A person should not take a drink if he plans to drive a car. Complete mental and physical control is necessary to maintain good reflex action in an emergency. Speeding should be avoided—a minute or two gained may be a life lost. Take proper precautions in passing other cars on the road. A head-on collision is a tragic price to pay to put one more car behind you on your journey, resulting in a trip to the hospital instead of a trip for fun.

Holidays are meant for recreation. Enjoy them, but be thoughtful and wise in having your fun. Heed the warning of the National Safety Council: "Take it easy on the Fourth. Be alive on the Fifth."

The word worsted, applied to a firmly twisted yarn of long-staple wool, combed in a certain way, is derived from the name of an English town where it was first made. The town's name is now spelled Worstead.

Collision Of Two On Street Restores Veteran's Memory

Wichita, Kas., June 19.—(AP)—Collision of two pedestrians on a street today brought back the memory of one suffering from amnesia.

Calvin W. Tinsley, 23, a navy veteran of Davenport, Ia., rushed into police headquarters to ask where he was. He learned he was 700 miles from home.

Tinsley told police the last thing he remembered was leaving his job with a construction company at Rock Island, Ill., near Davenport.

Searching his pockets, the youth found a list of unbought groceries, 24 cents in change and an empty billfold.

Tinsley said he suffered a similar attack last February at Rock Island, recovering his memory a day and a half later.

The veteran said he suffered a neck injury in service.

A long distance call to his mother at Davenport assured him money would be sent for the return trip home. Tinsley has a wife in Davenport.

Denver, June 19.—(AP)—The Army's chief of staff, Gen. Omar N. Bradley, had a narrow escape visiting his home town en route to Denver.

Plying here from Washington to address the Reserve Officers Association, a sudden rainstorm cut visibility to less than 800 yards when he approached Moberly, Mo., his home.

"Just follow the road," he told his pilot. "Why I used to play football right over there."

The pilot, however, followed his map, missed Moberly, and ended up over Columbia, Mo., 35 miles away. The General turned him around and pointed out familiar landmarks as the pilot got to Moberly in blinding rain, and set the ship down on the small airport with only 30 feet of runway to spare.

Boyle's Column How A Poor But Dishonest Boy Made And Lost \$8,000,000

New York.—(AP)—Joseph (Yellow Kid) Boyle was a poor but dishonest boy from Chicago who grew up to fleece the American public of \$8,000,000.

He began by peddling a phony "cure" for a buck a bottle and reached his peak by bilking an Omaha banker out of \$350,000 in a fake stock deal.

Unrepentant at 70 but now reformed, this master American confidence man for 50 years has just written an autobiography which will make sour reading for scores of his victims.

For the "Yellow Kid," who posed variously as a mining engineer, famous author and wealthy broker, believes he is basically more honest than the people he swindled.

"Can't Cheat an Honest Man" "You can't cheat an honest man," he says. "Every man who was ever swindled had larceny in his heart."

"All the people I swindled had something in common—greed, the desire to acquire money."

He says that in most cases his victims were hooked while they were eagerly trying to share in an enterprise which was illegal on the face.

In this way he made suckers out of wealthy men and women anxious to get something for nothing out of supposedly fixed horse races, rigged gambling games, and oil lands, stock issues, and copper mines which they supposedly could buy at bargain prices from unsuspecting owners.

Bankers' Natural Fall Guys
Well relates with "some evidence of delight the times he swindled bankers, whose morality in the boom twenties he holds in little esteem. Bankers seem to have been natural fall guys for his "get-rich-quick" bait.

With glib assurance he showed one Indianapolis banker a small machine that apparently could reproduce paper money. The banker, the "Yellow Kid" says, promptly suggested that they duplicate a hundred \$1,000 bills from his own bank, although obviously this would be counterfeiting.

The deal got \$67,000 from him and left the banker in a hotel room trying to take out new bills from the fake machine.

What is the weakness of con men? Well, who used to throw \$1,000 a night parties, says it is high living.

land pretty women. He believes a number of jail terms he served did less to cause his downfall than his attempts to go straight.

Flops in Legitimate Business "There is a widespread notion that a clever swindler could be a great success if he turned his talents to legitimate channels," he says.

"but nothing is further from the truth, for when a con man invests his money in a legitimate business he loses it."

He speaks from his own experience. He dropped \$750,000 trying to operate a hotel and \$375,000 on a short-term lease of the Hagenbeck-Wallace circus.

Mayors Challenge Taft's Crack About 'Whistle-Stops'

Washington, June 19.—(AP)—The mayors of Los Angeles, Gary, Ind., Crestline, Ohio, and various other metropolises blew the whistle on Senator Taft (R-Ohio) today for that crack about "Whistle-Stops."

So did the Chambers of Commerce of Pocatello, Idaho, Laramie, Wyo., and other self-described non-whistle-stops. In fact, civic pride busted out all over—mostly at Taft's expense.

And the Democratic national committee chuckled fiendishly. Because it pulled the whistle poll after Taft said in a Philadelphia speech that President Truman shouldn't go around the country "blackguarding

Congress at every whistle-stop." "Whistle-stop? That's a tank town, a hamlet, a mere wide place in the road. The Democrats wired 35 places across the country where Mr. Truman had spoken on his "non-political" rail tour. The question: Was it nice of the senator to call you a Whistle-Stop? (Taft didn't mention any particular communities.)

"Characteristically, Senator Taft is confused," replied Laramie. "Very poor taste," said Gary. "Our whistles never stop blowing," said Mayor Earl L. McNutt of Eugene, Oregon.

The Democrats summed it up: 71 per cent of those replying disapproved of Taft's remark, of which 1 per cent said he couldn't have been referring to their fair city. And 27 per cent simply asked for more details.

If you lived on the planet Jupiter, you might be able to see 11 moons around the country "blackguarding

Baptist Church Scene Of Smith-Ryder Rites

Gowns in orchid, pink and blue shades worn by the bride's attendants made a pretty picture at the wedding of Miss Irene Smith and Thomas Ryder. The double-ring ceremony was performed by the Rev. F. V. Wright of Winchester last Sunday, June 13, in the First Baptist church at Roodhouse.

June Bride

Mrs. William I. Wright was Miss Dorothy Ann Dobson before her marriage on Friday, June 4. The bride is the daughter of Mr. and Mrs. Clarence Dobson of Aisey and her husband's parents are Mr. and Mrs. J. P. Wright of Manchester.

The double-ring rites took place at the parsonage of the Rev. Guy A. Hopper, pastor of the Branson, Mo., Baptist church.

Both Mr. and Mrs. Wright are graduates of Winchester high school. Mr. Wright served with the U. S. Army Air Corps during the last world war. His overseas service was spent in the European theater, and since his return he had been engaged in farming with his father near Manchester.

Back from a short wedding trip to the Ozarks, the couple are now residing at the home of the bride's parents.

Chianti wine, grown in the area.

Ferns and baskets of mixed summer flowers banked the altar during the candlelight service.

Mr. and Mrs. Oscar Smith of Roodhouse are the parents of the bride, who was given in marriage by her father. Mr. Ryder is the son of the late Mr. and Mrs. Joseph Ryder of Glasgow.

Nuptial music was provided by Harold Coker of Patterson, accompanied by Mrs. Merle Mackey at the organ.

Chantilly lace trimmed the bride's gown of traditional white satin. Designed with close fitting bodice, the dress was made with a full skirt terminating in a cathedral train. Orange blossoms caught her fingertip veil of illusion net. She wore pearls, a gift of the bridegroom, and carried a bridal bouquet of white roses and gardenias.

The maid of honor, Miss Margaret Davis of Alton, was gowned in orchid. She wore a shoulder-length veil and long gloves in a matching shade and carried a bouquet of talisman roses.

Miss Clara Stein of Lincoln and Miss Elizabeth Ryder of Glasgow were bridesmaids. Miss Stein's gown was petal pink and Miss Ryder's pale blue. Both wore matching short veils and carried contrasting bouquets.

Karen Blake, the flower girl, wore a floor-length dress of petal pink marquisette over taffeta and carried a basket of pink rose petals.

A tiered wedding cake centered the bride's table at the reception held after the ceremony at the home of the bride. One hundred relatives and friends were received by the newly-wedded couple.

Mrs. Smith, mother of the bride, chose for the occasion of a dress of navy, with which she wore dark accessories. The bride's aunt, Mrs. Lucy Kelly, was attired in dove grey print. Her accessories were white. Both wore white carnation corsages.

Alfred Ryder, brother of the bridegroom, was best man, and James and Paul Smith, the bride's brothers, seated the wedding guests.

A graduate of Roodhouse high school, Mrs. Ryder attended Shurtz-Left college, Northwestern Bible Training school at Caldwell, Idaho, and Gem City Business college. For the last two years she has taught school in this community. Her husband, a graduate of Winchester high school, is a veteran of World War II, having spent three years in the European theater with the Third Division Engineers.

Upon their return from a wedding trip, Mr. Ryder and his bride will be at home to friends or a farm near Medora.

MR. and MRS. PAUL W. BLAKEMAN

Trudy Barker Marries Paul Blakeman June 6

One of the prettiest afternoon weddings of the June season was that of Miss Trudy Barker and Paul Blakeman, which took place Sunday, June 6, at 4:30 in Grace Methodist church, with the Rev. Frank Marston, pastor, performing the double-ring rites.

White flowers, ferns, palms and candelabra formed a beautiful background for the ceremony which was witnessed by a large gathering of relatives and friends.

Mrs. Howard Covey sang "Because" and "I Love You Truly" as the guests were assembling. She was accompanied at the organ by Mrs. G. O. Webster, who also played the wedding marches. As the couple knelt at the altar, the soloist sang "The Lord's Prayer."

Spring green marquisette over taffeta, fashioned with capelet of matching lace, was worn by the bride. She wore a picture hat of Windsor. She wore a picture hat of nylon tied with ribbon to match her gown and carried a colonial bouquet of asters and roses.

Petal pink marquisette over taffeta of identical style was worn by the bridesmaid, Miss Mina Miller of Chicago. She wore a picture hat and carried a colonial bouquet.

Preceding the bride down the aisle was the ring bearer, little Donnie Mason, son of Mr. and Mrs. Russell Mason. He wore a suit of white gabardine. The flower girl, Jeanie Smith, daughter of Mr. and Mrs. Lloyd Smith, was attired in a floor length dress of pale blue marquisette over dusty rose satin, styled after the bride's gown. Jeanie wore a crown of rosebuds and carried a white starched crocheted basket filled with rose petals.

White Duchesse satin was worn by the bride. Her gown was designed with a pointed basque bodice, long bridal point sleeves, portrait neckline and modified bertha. The bouffant skirt, worn over hoops, was caught at the hemline with clustered orange blossoms; the bubble effect in back swept into an aisle-wide train.

A halo of orange blossoms held in place her fingertip veil of imported illusion, edged with Brussels lace. The bride wore a strand of pearls, gift of the bridegroom, and carried a white Bible topped with a single orchid.

Attending the bridegroom were Rodney Christenson of Moline and Richard Jones of St. Louis, Mo.

Two hundred relatives and friends attended the reception held at the church. The bride's mother received guests and was attired in aqua with black accessories and a corsage of talisman roses. The bridegroom's mother chose dusty rose with white accessories. A corsage of tea roses completed her costume.

A three-tiered wedding cake was decorated with a miniature bridal couple and wedding bells. Assisting with the serving were Mrs. Milton Hocking, Miss Barbara Langan, Miss Freda Rossman, Miss Mary Lou Mason and Miss Nadeane Sooy.

For traveling on a wedding trip, Mrs. Blakeman chose a suit of white palm beach cloth, with which she wore matching accessories and a corsage of orchids.

MR. and MRS. ROY DWYER were married Sunday afternoon, June 13, in a pretty ceremony held at Grace Methodist church. The pastor, the Rev. Frank Marston performed the double-ring ceremony. Mrs. Dwyer is the former Miss Marjorie Caldwell, daughter of Mr. and Mrs. S. H. Caldwell of this city. Her husband is the son of John Dwyer of St. Louis, Mo.

Couple On Honeymoon To Picturesque Canada

Before her marriage Mrs. Petty was the former Miss June Rollins, daughter of Mr. and Mrs. Roy A. Rollins of Laura. Her husband is the son of Mrs. Zelma Petty of Lawrenceville.

The ceremony took place Tuesday, June 15, at 1 p.m. in the Carrollton Methodist church, with the Rev. Floyd Brewer, pastor of the Good Hope Methodist church, assisted by the Rev. Marshal D. Ulm, pastor of the Carrollton church, performing the double-ring service.

Traditional wedding bells suspended from a fern covered archway furnished a striking setting for the double-ring service. Palms and of candelabra completed the sanctuary decorations.

Nuptial music was provided by Miss Pauline Schroeder and Miss Lois Petty, sister of the bridegroom.

White moss crepe fashioned the gown worn by the bride. The design featured a fitted bodice and yoke, coronet of tiny pearls, from which fell an illusion veil, and carried a bouquet of white roses. Mitts of Chantilly lace and a single strand of pearls completed her costume.

Orchid rose crepe was used in a similar gown worn by Mrs. Rex Rollins of Albuquerque, New Mexico, who served as matron of honor for her sister-in-law. She wore a head-dress and mitts in a matching shade and carried orchid carnations.

The rings were carried by Miss Donna Sue Allen, daughter of Mr. and Mrs. Don Allen of Carrollton. Philip Benefield of Lawrenceville, was best man. Rex Rollins of Albuquerque and John Rollins of Laura, brothers of the bride, were ushers along with John Shepp of Jerome, Idaho, and Harry Benefield of Paris, Ill., brothers-in-law of the bride.

344 Girls Will Attend Girls State This Year

Three hundred forty-four girls from all parts of Illinois will attend Girls State this year. The sessions, which will be held at MacMurray college, begin on Sunday, June 27, and will continue through Monday, July 5.

Girls State is sponsored by the American Legion auxiliary, Department of Illinois. It was originated in 1940 and has been held in Jacksonville each year that it has been in session.

Every auxiliary unit in the state is entitled to select a delegate. The girls are chosen on the basis of leadership, character, courage, honesty, scholarship and co-operativeness. Only girls who completed their junior year of high school during the 1947-48 school year are eligible to attend.

Two girls from here representing the local high schools are Miss Betty Lou Walker from Jacksonville High and Miss Dorothy Haycraft from Routt. Miss Walker is the daughter of Mr. and Mrs. Lloyd Walker, 315 South Kosciusko street. Miss Haycraft is the daughter of Mrs. Stella Haycraft, rural route one, Franklin.

Girls State is patterned after the state of Illinois and follows Illinois governmental procedure as closely as possible. It is divided into city, county and state government. Its officers create the governmental units, elect officials and carry out the affairs of their government.

Form Separate Parties In order to aid their understanding of the party system, the girls affiliate themselves with one of two parties, the Federalists or the Nationalists.

Twenty counties, each comprised of two cities, are formed and governmental bodies are set up for each. The girls do their own campaigning and electioneering. The counselors and staff members act in an advisory capacity only.

Mrs. Glenn Suther is again dean of Girls State. The committee from the local auxiliary unit is composed of Mrs. J. C. Colton, chairman, Mrs. William Doolin, Mrs. Harry Hutches and Mrs. Audrey Livengood. Mrs. F. A. NOW OPEN TO HIGH SCHOOL GRADUATES

This is important news to every young man from 20½ to 23 who has graduated from high school or who can pass equivalent education examinations. Under a new ruling, you may now enlist in the U. S. Army for the specific purpose of attending Officer Candidate School, provided the quotas are not filled.

You must be a citizen of the United States, and a man of high moral character, able to meet the necessary physical requirements.

To take advantage of this unusual privilege, you may submit your application to the Commanding General of the Army area in which you live. If you are selected, you will be enlisted in the Army as Staff Sergeant. If you have not had basic training or its equivalent, you will be given this training before entering Officer Candidate School.

If you are a successful candidate, you will be commissioned as Second Lieutenant in the Officers Reserve Corps and placed on active duty for two years, during which time you may compete for a Regular Army Commission. Should you fail to complete the course successfully, you will be released from the Army.

The opportunity to qualify for Officer Candidate School is, and has been, open to men in the Army. But never before during peacetime has such a remarkable opportunity to become a commissioned officer been open to civilian high school graduates. Get all the facts about it today at your U. S. Army and U. S. Air Force Recruiting Station.

Your car rides on air—why not YOU?

New Plymouth Air Pillow Ride!

You and your car both ride on air with this great new Plymouth advance. You relax on Airfoam seat cushions* composed of millions of tiny air pillows while your Plymouth glides along on softer, fatter Super-Cushion Tires.

It's the sensational new Plymouth Air Pillow Ride. The super-comfort seat is a buoyant pillow between you and the road. The super-tires soak up road shocks from the side as well as below.

Foam-light and chair-height, the seats give to the lightest pressure, mold themselves to any position of your body for restful support. When you get up, the airy cushioning instantly resumes its original shape. And it will retain that shape years longer than ordinary cushions.

Airfoam seat cushions and Super-Cushion Tires add two more to the long list of advances that have made the Plymouth Ride so outstanding in the lowest-priced field. This famous Ride is a scientifically balanced combination of such features as:

11½" Wheelbase—longest in the lowest-priced field—for smoother, more level riding.

Scientific Weight Distribution that permits passengers to ride in cradled comfort between the axles.

Balanced Springing to synchronize front and rear spring action.

Independent Front Wheel Springing that permits coil front springs of soft-acting Amola Steel to move over road obstructions independently of each other.

Amola Steel rear Springs with special grooving to increase cushioning.

Hotchkiss Drive which transmits driving force through the rear springs for cushioned starting and stopping.

PLYMOUTH BUILDS GREAT CARS... GOOD SERVICE KEEPS THEM GREAT. Your nearby Plymouth dealer will provide the service and factory-engineered parts to keep your present car in good condition while you're waiting for your new Plymouth. PLYMOUTH Division of CHRYSLER CORPORATION, Detroit 21, Michigan.

THERE'S A LOT OF DIFFERENCE IN LOW-PRICED CARS... AND PLYMOUTH MAKES THE DIFFERENCE

Airplane-Type Shock Absorbers to take the severest road shock with controlled rebound of springs.

Front End Sway Eliminator to stabilize your car as it travels around curves.

Low Unsprung Weight to reduce bouncing of the wheels.

Floating Power Engine Mountings insulating the power plant from the frame.

All together these many engineering advances add up to a gliding Ride so restful that even long journeys leave you fresh and untired. Yes, there's a lot of difference in low-priced cars. And in performance, safety and beauty, as in Ride, it's Plymouth that makes the difference.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, June 19.—(P)—All livestock were quoted nominally steady today, ending a week which saw several record June highs made. Hogs jumped \$2.00 to as much as \$9.50 in the strongest market in many weeks, aided partly by a seasonal slump in receipts.

A peak of \$38.75 was paid for choice steers, a new June record. Despite the strength in best offerings, medium grades moved lower. Thus the narrow gap between top and medium grade prices was slightly narrowed. One reason for the wider gap was a seasonal increase in grassy cattle receipts.

Good and choice lambs were mostly steady at the close of the week, losing their early advance. Common and medium kinds were 50 cents to \$1.00 lower.

Couple Exchange Vows In Church Service Saturday

The marriage vows of Miss Alma Miller, daughter of Mrs. Louise Miller, 534 South East street, and Paul B. Bergschneider, son of A. K. Bergschneider, were received by the Rev. Father Raymond Franzen in a double-ring wedding ceremony Saturday morning at the Church of Our Saviour. Father Franzen also officiated at the nuptial Mass which followed.

Given in marriage by her uncle, Charles Miller of Peoria, the bride was groomed in white slipper satin with a sweetheart neckline, sleeves tapering to a point over the wrists, and fashioned en train. Lace inserts highlighted the shoulder line, and fashioned an apron effect on the skirt. Her fingertip length veil of bridal illusion was edged with three inch lace and fell from a tiara of seed pearls and orange blossoms. She wore a single strand of pearls, gift of the bridegroom, and carried a bridal bouquet of white roses centered with baby orchids.

The matron of honor, Mrs. George Volger, sister of the groom, wore a gown of American Beauty rose taffeta, made on Colonial lines with long sleeves. Mrs. Robert F. Bergschneider, who served as bridesmaid, wore a Colonial dress of Sky Blue taffeta. Both attendants wore shoulder length veils matching the color of their gowns and carried old-fashioned nosegays of pastel flowers.

George Volger served as best man and the groomsmen was Robert F. Bergschneider. Ushers were Bernard Bergschneider and Raymond Shanley.

Flower Girl in White

The little flower girl, Patricia Cook, cousin of the bride, wore a white brocaded satin floor length dress and a veil of net matching that which covered the skirt. Tommy Shanley, the flower boy, wore a white suit.

Preceding the ceremony, Mrs. Al. Eisch, organist at Our Saviour's church, played the Benediction Nuptial by Saint-Saenes, and the Panis Angelicus by Franck. During the ceremony soft music was played.

After the ceremony a wedding breakfast was served at the home of the groom's aunt, Mrs. J. N. Kennedy, 524 West Beecher Avenue. The table was centered with a three-tiered wedding cake, flanked with lighted tapers. Bouquets of garden flowers and roses decorated the home.

For her daughter's wedding, Mrs. Miller chose a black summer sheer dress with which she wore white accessories. Mrs. Kennedy wore a grey crepe dress with black accessories. Both had shoulder corsages of white roses.

For her going away outfit, the bride chose a white Palm Beach suit with black accessories. A corsage of the baby orchids taken from the bridal bouquet completed her costume.

Will Reside Here

Upon their return from a brief wedding trip, Mr. and Mrs. Bergschneider will be at home at 524 West Beecher Avenue.

Mrs. Bergschneider is a graduate of Routh high school, and is employed at Our Saviour's hospital. Mr. Bergschneider also graduated from Routh high school. Since his return from the service, he has attended Brown's Business college.

Out-of-town guests were Mr. and Mrs. Charles Miller of Peoria; Mr. and Mrs. Bert Carpenter of Virginia; Mrs. William Smith of Alexander, great-grandmother of the bride; Mr. and Mrs. Bernard Bergschneider of Inglewood, Calif.; Mr. and Mrs. George Volger of Moro, Ill.; Mr. and Mrs. Robert F. Bergschneider of Franklin; Marie Shanley and Priscilla Angelo of Springfield; Joan Patterson of White Hall; Kathleen Johnson and Alreda Long of Carrollton; and Jean King of Winchester.

Boy Injured By Air Rifle; Police Issue Warning

A report that a ten year old boy was shot in the back of his head by an air rifle in the hands of another boy caused the police department to issue a warning Saturday against the use of air rifles in the city, which is in violation of an ordinance.

Officers who investigated the occurrence said the son of Mr. and Mrs. Fred Oliver of South West street was struck by an air gun pellet near South Main street and the town brook. While the injury was painful it did not result seriously. Officers said that had the boy been struck in the face the injury might have caused far more serious effects.

The police department issued a warning to boys and parents against shooting air rifles or permitting their use within the city.

"The same law applies to air rifles that covers the discharge of firearms," a police officer stated.

After a Cold Cellar Room in Vienna, DP's Find Warmth of a U. S. Town

Claremont's adopted DP's: From left, Mrs. Adela Sawycka, her mother, Mrs. Elizabeth Ginejko, and daughters Tatiana and Natalie.

AFTER A COLD CELLAR ROOM IN VIENNA, DP'S FIND WARMTH OF A U. S. TOWN

By PAUL WATTS

NEA Staff Correspondent

Claremont, Calif.—(NEA)—American hospitality is such small things as the hometown newspaper running an explanation of how to pronounce a newcomer's name. It is welcoming calls from neighbors, who come visiting with a jar of homemade strawberry jam in one hand and a rough map of the neighborhood in the other hand.

That is the discovery of four adopted by the small college town of Claremont, in the center of the orange groves of Southern California.

With the war they became displaced persons. For three years they lived in one cold basement room in a Vienna DP camp. But through the aid of welfare agencies they became the "adopted family" of Claremont, and were brought here from the Vienna camp a month later.

Now the family is self-supporting. Jobs to work at and an old frame house to live in were provided for them by the college. The 70-year-old grandmother, Mrs. Elizabeth Ginejko, stays at home and takes care of the house while her daughter, Mrs. Adela Sawycka, and her two granddaughters, Tatiana, 24, and Natalie, 17, go to work.

By five each afternoon the four women are home in the old-fashioned house. They keep busy in the evening studying American customs and history. Fashions and other typical feminine subjects are no lure, but they are fascinated with such everyday American items as soaps and wire dish drainers.

Often their evenings are taken up with calls from their neighbors.

Before they arrived here, the Claremont newspaper wrote a story about the adopted family. Now these hospitable neighbors want the newcomers to become acquainted with the American way of life. And newcomer Mrs. Ginejko has acquainted the women of Claremont with tarts of cottage cheese, and a mock ice cream made of cottage cheese flavored with vanilla and sugar.

Claremont, through its Co-ordinating Council, had planned for a year to "adopt" a European family. The Council is composed of college, civic, and church members. Then they heard of the Sawycka family. One daughter, Tatiana, was secretary to a niece of a Council member in the Vienna office of the International Refugee Organization. After the Sawycka family was recommended to the Claremont Council, arrangements were completed in almost miraculously short time.

To the Sawyckas, displacement is an old story. In 1917 Mrs. Sawycka and her mother fled from the Bolsheviks to Warsaw. In 1944 they were forced to flee Warsaw, and were captured in Vienna by the Nazis.

Now the four refugees think they have reached the end of their long search for home and security.

Members of the Hattie Williamson Philathea class of the First Baptist church met at the home of Mrs. M. A. Birdsong, 1427 South West street. Mrs. Birdsong was assisted by Mrs. Ruth Fowler and Pauline Bird. A pot-luck supper was enjoyed, following which a business session was held.

Mrs. A. J. Stewart, teacher, gave the invocation and led the devotions.

At the business meeting Mrs. LaMar Gutekunst presided. Reports were read by Mrs. Birdsong and Mrs. Harry Ritter. Plans were completed for Mrs. Gutekunst to represent the class at the world-wide Baraca-Philathea convention to be held at Winona Lake, Indiana. Sessions of the convention are to convene at the Billy Sunday Tabernacle, June 23 to June 27.

A picnic is planned for the July meeting. The committee in charge will be Mrs. Forrest Crouse, Mrs. Robert Anderson, Mrs. Walter Day, and Mrs. T. W. Biehl.

According to tradition baby boys are generally dressed in pink and baby girls in blue, but in some parts of the United States this tradition is reversed.

Bride Wears Blue

A crepe dress of hyacinth blue was worn by the bride. The street-length frock was fashioned along princess lines and featured a wide yoke.

The bridal bouquet was shower arrangements of slit carnations, centered with an orchid. Carnations also fashioned the headpiece of the bride. As her only jewelry, she wore a pearl necklace and matching earrings.

Miss Joanne Beasley, who served her sister as maid of honor, was attired in a dress of white jersey. She carried a colonial bouquet of mixed flowers.

The best man was William Winchester, Jr., cousin of the bridegroom.

Reception Honors Couple

Following the ceremony a reception for members of the wedding party was given at the Beasley home. The couple then left for a brief wedding trip. As her going-away ensemble the bride chose a summer suit of dove gray, complemented with black accessories and the orchid from her bridal bouquet.

Both Mr. and Mrs. Million are graduates of Jacksonville High school and later attended Illinois college. Upon returning from their wedding trip, they plan to reside in Chicago, where they will both study art.

Cub Supporters Swamp All-Star Ballot Box; Record Vote Is Cast

Chicago Cubs fans have spoken, and with a volume which echoes through most of the National league division of Journal Courier All-Star baseball poll. Players from the Windy City team, which now leads in the loop basement, have jumped into prominence in half of the eight positions being voted upon by fans in this area.

Jeffcoat Sets Pace
Hal Jeffcoat, Cubs' rookie center fielder, made the biggest surge. Unmentioned during the first few days of the balloting, he jumped into first place by getting eight of the 16 votes cast Saturday.

Riding the crest of the big Cub wave with Jeffcoat are three other members of Charlie Grimm's current edition. All have taken over second place in their respective departments. They are Catcher Bob Scheffing, First Baseman Eddie Waitkus and Third Baseman Andy Pafko.

Saturday's voting gave the Journal Courier tabulator his first big workout. The number of ballots doubled the total cast in the first three days of "second-guessing" the managers.

The first show of partisanship was seen Saturday when five ballots reached the Journal Courier with votes only for the National league, Williams, DiMaggio, St. Louis, Ted Williams, Boston Red Sox left fielder, and Joe DiMaggio, New York Yankees center fielder, remained solid choices of the fans. Every American league ballot filed with the Journal Courier thus far has included votes for the junior circuit's two great stars.

No major upheavals resulted from the new ballots. Including Jeffcoat's sudden showing, there were only two changes in the leaders. Joe Gordon, Cleveland second baseman, left Bob Byrnes in the dust in American league balloting. He now totals 11 votes, compared with Deere's four. The two players were tied at three and three Friday. Tommy Holmes, who was far down in the pack for National league right fielder, showed renewed popularity and gained a first-place tie with the Cards' Enos Slaughter for National league right

fielder. Many players not included in prior returns got into the limelight as the fans' selections began to show considerable variety.

Minnesota Wins NCAA Track, Field Championship
Minneapolis, June 19.—(P)—Underdog Minnesota captured the national collegiate track and field championship for the first time in the 27 year history of the meet today as this country's undergraduate spikester selected 108 of their best performers for the coming Olympic tryouts.

The surprising Gophers, rank outsiders in the pre-meet speculation over the team title, won two of the 18 events and placed in seven others to amass a total of 46 points in the scoring on a 10-8-6-4-2-1 basis.

Southern California's favored Trojans finished in second place with 41 points, barely missing their bid to regain the national title they relinquished in 1944 after nine straight years of victory. Even a double sprint triumph by the great Mel Patton, one of them achieved in world record time, couldn't lift the Trojans to the team championship they have won a dozen times in the past.

Not until the last event had been completed before a throng of 15,563 in the sun drenched stadium of the victorious Gophers was the close battle for team honors determined. Then Loyd Lamons, who until that time had scored only one point on a sixth in the broad jump, came through with a victory in the lightly regarded hop step and jump which enabled Minnesota to sweep past the Trojans into first place.

But it was Fortune Gordien who carried the major load for the Gophers on his broad shoulders. The big Minnesota weight man won the discus, an event he is expected to dominate in the Olympics, and placed second in the shot put.

Between them, Gordien and Lamons tallied 20 points, well over half the Minnesota total.

Behind Minnesota and Southern California came the University of Texas with 40 points, while the University of Illinois, defending champion and winner of three of the last four team titles, finished fourth with 24 points.

Dates Of Coming Events
June 26—Auction sale real estate, 1 lot, 1 1/2 a. m., 8 door curb house, Anna Stauff, owner. Midland, Texas.
June 26—Ice cream supper at Central Christian Church lawn. Starting at 8:30.

White Sox Gain 9 To 5 Victory Over Washington

Chicago, June 19.—(P)—Pitcher Marino Pieretti and Outfielder Pat Seery, two additions via recent trades, blended their efforts to aid the Chicago White Sox gain a 9-5 victory over Washington before 1,157 persons here today.

The victory was Chicago's fourth in the past five games, the loss was Washington's seventh straight. Pieretti, making his first start for Chicago, worked six and two-thirds innings on a yield of four hits. Seery collected three singles in batting in as many runs. This spree increased his White Sox RBI total to 16 in 12 games since coming to Chicago from Cleveland.

Indians Down A's
Cleveland, June 19.—(P)—The league-leading Cleveland Indians, who haven't been getting much pitching lately, got plenty of it today when Bob Muncie and Russ Christopher combined for a brilliant three-hit shutout as the Indians downed the Philadelphia Athletics 4 to 0.

Muncie throttled the A's with three singles for the first seven innings, but was forced to retire after that stanza when a line drive from Hank Majeski's bat struck him on the elbow of his pitching arm. He was taken to a hospital for X-ray examination. Christopher took over for the final two innings and kept Philadelphia in check to complete the shutout.

Bill McCahan allowed the Indians only six hits but the Tribesmen utilized four of them in scoring.

The win snapped a five-game losing streak for the Indians and boosted their first place margin over Peoria's A's to two games.

Tigers Lose to Boston
Detroit, June 19.—(P)—The booming Boston Red Sox got away to a 9-1 lead over Detroit today, and needed it all, as they ran their winning streak to four games with a narrow 9 to 7 decision over the Tigers.

Detroit, held to five hits by big Jack Kramer in eight innings, came to life in the ninth after waiting out a 33-minute delay because of rain. The Tigers scored four runs after two were out in their last turn at bat and had men on first and third with the tying runs when Bob Ferriss, working in relief, got George Kell on a pop fly to end the game.

Giants Conquer Cards With Four Home Runs

New York, June 19.—(P)—Using their most potent weapon to end a five-game losing streak, the New York Giants today looted four home runs into the stands to overcome the St. Louis Cardinals 10-1. The quartet of round trippers gave the pounding polo grounders 11 home runs in three days and 63 for the season.

Behind the heavy barrage, Clint Hartung had an easy time coasting to his fifth victory. The tall right-hander spaced eight hits and held the mighty Stan Musial hitless.

In the second inning, big John Mize walloped his 12th home run into the upper rightfield stands.

Sid Gordon's 10th home run came in the fourth. Willard Marshall joined the home run brigade with his seventh round tripper in the seventh with two aboard. Gordon smacked his 11th of the season and his second of the day in the eighth.

Louis, Walcott Promise Better Fight Wednesday
New York, June 19.—(P)—The 1948 Joe Louis, only a carbon copy of the original brown bomber, makes his 25th and possibly last world heavyweight title defense Wednesday night at the Yankee Stadium against Jersey Joe Walcott, who lost a disputed decision to the champ last December.

This carbon copy of the original still may have enough to fluster Walcott, an ageless pappy guy from Camden, N. J. At least the odds on the champ to win linger close to 5 to 12. It may approach 1 to 2 or less by ring time. Past performance sheets favor the bomber who never failed to knock out a troublesome opponent in a return bout.

Because of the tremendous controversy following their first meeting in Madison Square Garden, this fight figures to draw close to a million dollars.

Louis, who gets 40 per cent of the net as compared to 20 for Walcott, is "the big" of this scrap. However, he insists "I'll win quick."

Spartan partners have hit him repeatedly with right hand shots, the kind that Walcott used to dump the bomber twice in December. The most destructive in the annals of sport, remains a mystery and will remain so until the first going.

Louis always has been puzzled by a boxer who moved around the ring. Bob Pastor went 10 in his first battle by getting on a bike and running away. Arturo Godoy went into a crouching shell to befuddle the boxer.

There can be no question that Walcott will move. The basis of his style is a confusing three-step—one back, and two to the side—that upsets a counter-puncher like Louis.

Up to now the champ has been able to save those unorthodox moves for the second time around.

AD MUST GO VISITING RELATIVES HERE
Tommy Schira, son of Mr. and Mrs. Paul Schira of Ottawa, and Jerry O'Connell, son of Mr. and Mrs. Michael Sullivan of Chicago, are visiting relatives in Jacksonville.

By CHARLES BELLATTI
Giving Bill Perry, Les Lee, Max Legate and the host of other fine pitchers who have appeared here in the last three seasons all due credit, we've never seen a softball hurler with more on the ball than Bill Loyd, 22-year-old negro who did duty Thursday night for the Chicago Hot-Ten-Tots.

This Loyd has everything; you name it and he'll throw it. But what had American Legion batters pulling their hair was his tantalizing change of pace.

We'll always feel that Loyd could have thrown a perfect game Thursday night, although one blow which "Sonny" Campbell got past the shortstop might have gone for a hit in any game. Loyd definitely let up in the late innings. Hot-Ten-Tot Captain Herb Perkins said that the ace hurler was "experimenting."

Here's the dope on Loyd. He hasn't, as one might well expect, been pitching for many years. In fact this is his third season. Formerly an infielder, he turned to pitching when his army team came up without a moundman. He threw two years in service, then came home to play with the Tots.

The Tots feel the same way about this boy; they think he's tops among the Tots.

Protest England, former Waverly and Jacksonville grid mentor, has a habit of popping up in the news. And once again we hear from our old friend.

This time England is coming out with a printed publication entitled "Coaching the T Formation." Truly one of the country's leading exponents of the "T," England packs all of the knowledge acquired in 13 years of coaching in the new manual.

During the past six years England's "T" teams have lost only eleven of 54 games.

He is now head football coach at Arkansas State college.

A news release from Illinois State Normal university reveals that the following men from this area were among those attending the summer coaching clinic at Normal during the past week: Parrell S. Patterson and H. D. Wimberly, Jacksonville High School; Jim Percelli, Jacksonville; Dale Pettenger, Winchester; Virgil A. Johnson, Beardstown; H. C. Ave, Macomb; Wix Garner, Western Illinois State college; Macomb; Luke Gleason, Cathedral, Springfield; Ray Hanson, WISC, Macomb; John Stark, Pearl, Ray Wolf, Tremont; and a close friend of J.E.S. Coach Bob Kraushaar, was also present.

Don't give up on those Brownies. They're still a hustling bunch of youngsters who give you a good fast game of baseball, win or lose.

And here's the lineup of Brownies games next week. New York plays a doubleheader at Sportsman's Park Sunday, then the amazing Philadelphia Athletics move in for a four-game series of night tilts.

The All-Star baseball poll being conducted by the Journal Courier is creating considerable interest. Battles for various positions are bringing an ever-increasing number of ballots. And you, Mr. Baseball Fan, had better get your votes cast. Your favorites need your help. Cut out a ballot and mail it today, won't you?

Ray Robinson, Bernard Docusen Battle Monday

Chicago, June 19.—(P)—When and if welterweight champion Ray Robinson gets into the ring at Comiskey Park Monday night, he'll be ready for raw meat, literally and figuratively.

Robinson belatedly is scheduled to take on 21-year-old Bernard Docusen of New Orleans in his third title defense, 1P.

1. The champion can make the 147 title poundage at Monday noon's second weigh-in for the fight.

2. He doesn't call the whole thing off and go back in a huff to New York, causing the Illinois Athletic commission to declare his title vacant.

3. It doesn't rain again as it did last Thursday night when the 15-round title go originally was scheduled.

The commission scales began a night-marish contraption for Robinson last Thursday noon when he peeled off everything except his skin to hit 147 on the head—and that after starving and "sweating out" for several days.

Robinson's manager, George Gainford, at first said Robinson would forget about the whole thing, rather than undergo another weakening weight-trimming schedule.

But the champion, who has put up \$10,000 as a performance guarantee and another 1,000 as a weight forfeit, apparently thought the loss of 11,000, plus a good chance of meeting middleweight champion Zale if he kayoes Docusen, would be much more painful than whitening away a stubborn pound or two of flesh.

So, at this reading, Robinson is preparing for his second battle of the scales, mainly through heavy road work.

First Round Contests In Softball Tourney Offer Tight Battles

Games Tonight
(All Times Daylight Savings)
6:30—Fix-It Shop (Springfield) vs. Jerseyville Firemen
8:00—Critic Feeds (Beardstown) vs. White Hall V.F.W.
9:30—Macomb Dodgers vs. Jacksonville Farm Implement Dealers

Monday night's first-round triple-header in the West Central Illinois Invitational Softball tournament, like Sunday's, should provide Jacksonville fans with plenty of entertainment.

No walkaways are expected in this first annual meet. The teams are exceptionally well matched and a battle right down to the wire is expected for championship honors.

Two Jacksonville teams meet in Monday's opener at 6:30 p.m. The Jacksonville Knights of Columbus, who have popped up with a fine new pitcher, tangle with the House of Clay aggregation, an outfit which has a reputation for pulling the unexpected.

The House of Clay nine will be out to defend a reputation as a fine tournament contender, having advanced to the finals of last year's district meet at Nichols Park, where the West Central meet is being staged this week under the auspices of the Jacksonville Recreation club.

Tournament games between members of the Jacksonville AA league have always attracted good crowds to the southside park and fans are expected to turn out early Monday night.

Old Rivals
Following the two Jacksonville teams will be two additional traditional rivals. The Phillips of Flyers from Roodhouse, tangle with the Carrollton Lions at about 8 o'clock.

The Lions have formed recently but are already making a name for themselves. They include many former Carrollton Hawks on their roster.

The Flyers, managed by R. E. Pollard, are well-known here. They have a reputation as a tough touring team and always provide plenty of fireworks in their battles.

Jacksonville's Myers Bros. aggregation, regarded as a top contender for the AA loop crown this season, is scheduled to meet the Beardstown American Legion in the Monday nightcap. The Beardstown players are defending city champions and are among the leaders in the Cass county loop this year.

Tuesday Slate
Good games are also on the card for Tuesday, when the first round will be completed with a double-header.

The Jacksonville Merchants face a stiff challenge in their opener, when they go up against the Kane American Legion in the first of Tuesday, scheduled for 7:30 p.m.

Kane teams have earned their selves quite a reputation here after fine showings in district tournament play. The Kane Legion team is even stronger than the Kane Merchants, who appeared here last year, according to reports from Jersey county.

The Merchants also boast a capable band, however, and may give the visitors plenty of trouble.

Tuesday's nightcap at 9 p.m. may be on the tourney's top contest. The Jacksonville American Legion, defending city champs, tangle with a fine Arenzville team.

Arenzville always poses a tough journey threat for Jacksonville teams. With George Manker available for mound duty, the Cass county club can't be overlooked for advance championship predictions.

Feller Decides To Stick Strictly To Pitching

Cleveland, June 19.—(P)—Bob Feller says he'll stick strictly to pitching from now on.

The erstwhile ace of the Cleveland Indians' mound corps announced that he is curtailing all his activities, including between-a-game physical exercises, in an effort to recover his mastery.

Bob hasn't won a game since May 19 and has dropped five in a row for an unimpressive season record of five wins and seven defeats. He makes his next start tomorrow against the Philadelphia Athletics.

Feller repeated that he never has considered his various connections outside of baseball a handicap in his work for the Indians.

"But other people think they are," he added, "and I'm certainly willing to try anything to regain winning form. Some of the folks on whom I cancelled appointments didn't like it. But my appearances wouldn't have much value to them or anyone else if I couldn't start winning again."

Feller said his arm feels all right, but he admits he has had trouble with his control, especially when he has thrown his curve.

Baseball Outfit Seeking Games

Hank Smith, manager of the Jacksonville Merchants baseball team, said Saturday that his team is seeking additional games.

Since the Merchants play each Sunday in the M.S.C. league, they will be forced to play out-of-town games on week nights and home tilts on evenings during the week.

The Merchants have won 26 of the 28 games they have played since they formed last summer.

Managers interested in booking games should contact Smith at the Spot on South Main street.

Entries Arriving For ASA Tourneys; See Record Field

First entries in the Amateur Softball Association tournament series have begun arriving at the sectional office and indications point to a record field, Charles Bellatti, A.S.A. sectional director, stated Saturday.

Over 80 teams have been contacted concerning the tourneys this year and the majority of them are planning to participate. District meets are already scheduled for Jacksonville and Macomb and there is a possibility that several more may be arranged in order to conveniently accommodate all of the clubs.

Deadline for A.S.A. memberships this season is July 1 at midnight. No teams will be allowed to participate in the tourney series if they have not filed blanks by that time.

The sectional tournament or playoff, which will nominate the state tournament representative from this sector, will be staged at Nichols Park diamond here August 11-15. The Macomb district is slated for July 11 through 15 and the Jacksonville district will be July 26 through August 1.

Morgan County Donated \$5,286 To Fight Cancer

The final report on the first annual Morgan county drive for funds to support the work of the American Cancer Society has been in a letter written by State's Attorney W. L. Fay, general chairman of the 1948 campaign, to Miss Mary Postlewait, chairman of the Morgan County chapter of the national society.

Mr. Fay's letter is as follows: Miss Mary Postlewait, Chairman of Board, Morgan County Chapter, American Cancer Society, Inc., Jacksonville, Ill.

Dear Miss Postlewait: It is with real gratification that I am able to submit to your board a final report on the Cancer campaign conducted in Morgan county during the month of April, 1948, showing a total of \$5,286.62 in contributions received.

While the amount contributed did not quite come up to the \$6,000 goal fixed upon by the committee at the start of the campaign, the contributions did substantially exceed the quota set for Morgan county by the state headquarters of the American Cancer Society.

The generous response of the people of this community to this appeal is indicative of the importance of your fight to conquer cancer. Many persons, entirely without solicitation, joined our ranks and donated both of their services and funds.

Special recognition should be accorded to the various organizations which supported the campaign. These include the Elks club, American Legion, Jacksonville Amvets Post 100, Lions club, Kiwanis club, Veterans of Foreign Wars, Ladies Auxiliary Post No. 1379, Veterans of Foreign Wars Morgan County Post 1379.

Also, Alexander Woman's club, Alpha Iota sorority, American Legion, American Legion Auxiliary 279, American War Dad Auxiliary, Amvets Auxiliary Post 100, Appalonia Community Welfare club, Arcadia A.T.A. No. 250, Asbury W.S.C.S., Berea Christian church, Berea Home Bureau unit, Berea Sunday school, Brownie Troop 45, Catholic Daughters of America, Chapin Methodist W.S.C.S., Chapin Young Woman's club, Coterie of Chapin, Cross Country Jr. Woman's club, D.A.R. Circle No. 122, Delta Theta Tau sorority, Ebenezer Home Bureau unit, Exchange club, Happy Hour class, Home Makers circle, Homemakers club of Murfreesboro, Household Science club, Jacksonville Business and Professional Women's club, Jacksonville Public School Teachers Association, Ladies' Aid Society, Lynnville Christian church, Ladies' Aid Society of the Deaf, Lioness club, Lynnville Methodist church, Friendship class, Mary and Martha circle of St. Paul's church, Merry Males S. C. class of Northminster Presbyterian church, Merry Males S. C. class of Northminster church at Waverly, Morgan County Woman's Republican club, Murfreesboro Homemakers club, Our Saviour's Hospital Alumnae association, Pilgrim society of Congregational church.

Pythian Sisters, Illinois Valley Chapter of the Reserve Officers' Association, Sinclair Woman's club, Social Domestic Science club, S.P.E.B.S.Q.S.A., Tuesday club, Woman's Relief Corp No. 109, Woodson Christian church, Ladies' Aid, Woodson Household Science club, Woodson Lodge A.F. & A.M. No. 1011, Woodson P.T.A., W.S.C.S. Ebenezer church, W.S.C.S. Lynnville Methodist church, and Youngblood Ladies' Aid society.

Recognition and sincere thanks are also due to Mrs. James L. Burch, who actively directed the mailing of campaign material; to Mrs. Carl Davis, who handled the bookkeeping and records; to Miss Helen Duffner and Nate Egner, who were the co-chairmen in charge of publicity; to W. H. Kurtz, who donated space in the Dunlap hotel for campaign headquarters; to radio station WLDS and to the Jacksonville Journal-Courier, both of which cooperated fully to publicize and assure the success of the drive; and to the many other firms and individuals who took an active part in the campaign and without whose help we could not have succeeded in meeting our quota.

The campaign was conducted entirely without the pressure of personal solicitation and the usual expenses incident to such solicitation were thus avoided and money saved to donate to the cancer control program.

On behalf of the campaign committee, I wish you ever-increasing success in your efforts to combat cancer.

Very respectfully yours,
W. L. Fay

Enroute to Philadelphia with Illinois Republican delegation, June 19.—(AP)—Dewey and Taft forces wooed the pivotal Illinois GOP delegates tonight as 500 state Republicans rolled toward Philadelphia. Dewey backers claimed they were making progress.

A Dewey offer to make Gov. Dwight H. Green his vice presidential running mate and an increase in Illinois Dewey delegate strength were reported as the two special trains left Chicago.

Green, the convention keynote, was said to have turned down the Dewey offer in favor of waiting to see what develops tomorrow night at the first caucus of Illinois delegates at Philadelphia.

Dewey Bid Reported
Although Dewey's top strategists in Philadelphia denied the report, usually reliable sources said the New York governor had made the bid to Green in a determined effort to win the bulk of the 56 Illinois votes.

If it succeeds, it would cut deeply into Taft's secondary strength. The Ohio Senator's forces claim without much dispute that they will get 50 Illinois votes on the second ballot.

The Chicago Herald-American said Green has pledged most of the delegation to support Taft in the early balloting.

It said Lt. Gov. Hugh W. Cross of Jerseyville and Rep. Everett Dirksen of Pekin were backing Dewey and that they claimed 10 downstate delegates for Dewey.

In Washington, Dirksen refused to say whether he will support Dewey. He said he will not make his position known until the caucus tomorrow. Cross was vacationing in New England and could not be reached.

Delegation Still Uncommitted
Green continued officially neutral, and the delegation remains formally uncommitted, at least until the caucus tomorrow.

A decision may come then. However, the delegation may map strategy only, and keep its cards face down until later in the week.

Green is expected to get all 56 votes on the first ballot. Despite reports that Illinois may swing to Taft as early as the second ballot, the swing away from Green may be delayed until a more crucial moment—when the expected Taft-Dewey deadlock is at its height.

There is no indication that the state's votes will go to Stassen or Vandenberg. House Speaker Joe Martin is a long-shot recipient.

About 1,000 Republicans from Illinois plan to be in Philadelphia by Monday. Green will be there with his wife and daughter, Gloria, 17, and members of his executive staff.

Two special trains carried them and 500 others late today on the Pennsylvania railroad.

Green will entertain about 300 at dinner at 7:30 p.m. (CST) Sunday at the Warwick hotel. The caucus will be later at the Benjamin Franklin hotel, the Illinois delegation's headquarters.
